Every effort will be made to start trial events on time. Dogs late to racing or conformation will be scratched. **NO REFUNDS** for missed classes.

REFUNDS for classes will be given **ONLY** in cases of accident or illness of a terrier or owner, or for bitches in season. Situations must be documented in writing. Refunds provided by mail within 14 days following the trial.

ALL entries the day of the trial, except when a terrier moves up in Go-to-Ground, will be considered Post Entries and will be charged the post entry fee. No additions or substitutions after a division have begun.

The Carolinas Jack Russell Terrier Club will again be using Trial Vault Trial-Management Services. Listed below are some details regarding this web-based program and what it will allow you to do as an exhibitor.

The creators of TrialVault have updated the program and released an all new TrialVault2 web-based trial management system. You might need to recreate you account for the new program, but you can now upload pictures of your dogs and your trial certificates!! You will be able to better control the details of your dogs in your account by adding a co-owner and checking all certificates your dog holds.

Accounts are free for attendees.

There is no cost to set up a TrialVault account and enter terrier profiles. Once terrier information is entered into TrialVault, it is stored in the cloud and can be used to register in any TrialVault hosted trial.

TrialVault stores terrier information in one place and tracks awards.

If you've entered a JRTCA-sanctioned terrier trial, you know about the detailed information you have to provide on all of your terriers—date of birth, registration numbers, certificates, proof of registration, and more. Using TrialVault, you only enter this information once, and then we store it in a central database. All those details are ready when you need them, and registering for a new trial is as easy as a mouse click. TrialVault also keeps records of your terriers' trail winnings.

TrialVault is a web app that is continually improved and updated to the latest standards.

Unlike old-fashioned desktop programs on your PC, TrialVault is a web-based application that is accessed through web browsers like Chrome, Firefox, Safari, and Internet Explorer on desktop, laptops, and mobile devices. This means bugs can be fixed almost instantly and you always have the latest version.

To access TrialVault and create your own account so you can enter this trial online, go to <https://www.trialvault2.dog/home> . You will be able to us either PayPal or you can print your confirmation page and mail it along with your check to Heather Davis at 3029 Pageland Highway, Lancaster SC 29720. If you have any questions regarding using this program you can contact Wes Hileman with TrialVault at whileman133@gmail.com or the trial secretary Heather Davis at Carolinasjrtclub@gmail.com.

We need your help!

As you all know it takes lots of folks to put on a successful trial. If you are interested in helping, please contact the trial chairpersons, or indicate here what events and times you will be able to help. Racing is the biggest event needing help such as catchers, stewards or lure runners. Go-to-ground stewards are also needed. Set up and take down support is always needed as well. Thanks so much in advance for your support.

Donate a Perpetual Award!

We appreciate your support of the Autumn Fest I and II but what better way to honor or remember your favorite dog or friend than to donate a perpetual award. Each award should include places for the winners name and the year for however many years you would like to have the award be in circulation, most are for 10 years but some goes as little as 3 or as much as 12. Once the award has completed this time frame, then it is retired to the person who donated it to the club.

JRTCA General Rules For Exhibitors

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors or owners of terriers entered must be current members of the JRTCA and not be a member of a conflicting JRT organization or register their JRT's in any all-breed registry or conflicting organization. If an exhibitor is found to be in violation of this policy, entries will be disqualified and no refunds will be given. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they enter.
3. Entries MUST be within the 10-15" JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10" height standard); measuring devices will be available on the trial grounds.
4. Puppies (under 12 months of age) are not eligible for championship in any division but their own. Puppies are eligible to compete only if they have reached their four month birthday (not 16 weeks). A puppy's age is the actual age the pup is on the day of the trial.
5. Bitches in season may not compete in any division. Pre-entry fees of bitches in season to be refunded with vet certificate from owner, or as otherwise agreed upon by the Trial Chairman.
6. Spayed or neutered terriers may compete in Miscellaneous Conformation. They may not compete in Puppy, Family, Open or Working Conformation.
7. A terrier bred by a sanctioned JRTCA judge may not be shown under that judge in the conformation division.
8. Terriers owned or co-owned by the Trial Chairperson, or any member of their household may not be entered in any phase of the competition, with the exception of Child and Youth handling classes. If an Affiliate sponsored trial is chaired by Committee, all on the Committee may enter their terriers in any phase of the competition.
9. Terriers owned by judges may not be entered in the division in which they are judging, but may enter the competition in any other division.
10. Terriers owned by stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in the same class number or by the Judge EXCEPT in Racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR, if classes are split by gender, may call for the measurement of a terrier of the opposite gender in the same age and height category. (Example: The owner of an under adult dog entered in Racing may call for the measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races.) Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of entire classes will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. Only JRTCA height cards issued after September, 1999 will be honored.
12. Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited in the Conformation Ring and may result in the exhibitor being excused from the class. "Excessive Use" will be at the judge's discretion.
13. Exhibitors participating in the JRTCA Working Terrier Classes or Certificate Go-To-Ground must submit the appropriate JRTCA certificates with pre-entries or at the time post-entry. The judge may require a copy of the certificate be presented to the Ring/Den Steward at the time of judging. Registered terriers may submit a copy of NHC application signed by a JRTCA Working Judge within 30 days of the date it was issued.
14. Puppies under the age of three months are not permitted on the trial grounds. Any person violating this rule will be excused from all classes entered, and asked to leave the trial site.
15. All dogs must be leashed or crated except when competition requires off leash work. No liberty leashes allowed.
16. Overly aggressive dogs, or an owners' failure to control their dog, may result in disqualification at the discretion of the Judges or Trial Chairperson.
17. The abuse or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site, and no entry fees will be refunded.
18. Dogs other than JRT's on the grounds may be excluded or permitted at the discretion of the Trial Chairperson.
19. Exhibitors are responsible to double check the classes they have entered and be on time. No refunds will be given for missed classes.
20. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be obtained by contacting the JRTCA office (410-561-3655) or it can be downloaded from the JRTCA web site (www.terrier.com).
21. Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated. In addition, such conduct will be subject to penalties which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their discretion.
